

Insurance and Risk Management for the Cannabis Industry

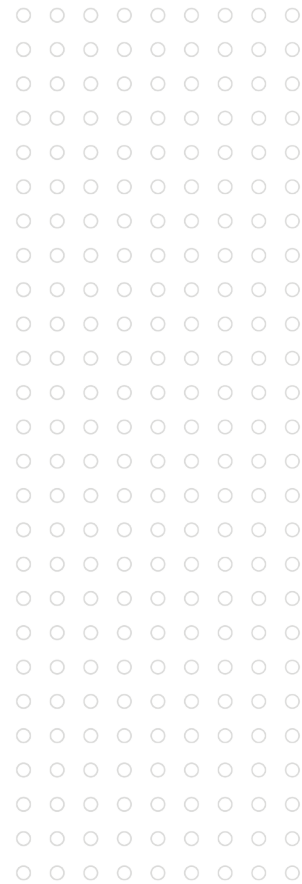

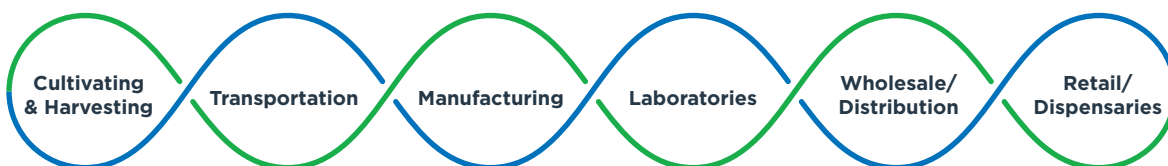

We've got you covered from seed to sale

The cannabis industry is growing rapidly despite being faced with a constantly changing regulatory environment, financing roadblocks, and emerging risks. These challenges are wide ranging and require a proactive approach to risk management.

HUB understands the complexity of this industry and the many unique insurance coverage limitations and exclusions that can leave your business exposed and your future in doubt. We offer tailored insurance and risk consulting services that enable you to focus on maximizing growth and profits.

Our deep experience in the related fields of healthcare, life sciences, transportation, and agriculture enables us to guide you in understanding and responding to the risks you face in this new industry.

We'll work with you to assess your exposures in:
